Terms and conditions of the Trask Fund MRes Art Bursaries

The following terms and conditions apply to acceptance onto the Trask Fund MRes Art Bursaries:

- The bursary will provide a contribution towards your tuition fees for the first year of your course
 - Tuition fees will be paid directly from the award into the University's Tuition Fees account.
 - Applicants must enrol on the course in the same academic year for which they have applied for funding. Failure to do so will result in either:
 - The application being rejected
- OR**
- The award being withdrawn
- For continuing students of EU Overseas fee status, although the tuition fee is the equivalent to that of a Home fee status student, this does not qualify EU Overseas students for awards for Home fee students. Home fees students meet the UK residency criteria and EU Overseas students do not meet the residency requirement but the University is committed to EU Overseas students paying Home fees until the end of their course post-Brexit.
 - When assessing financial hardship, the University considers any household income of £80,000 per annum or below as the criteria for financial hardship.
 - UAL will share personal data from completed scholarship application forms and portfolios of award applicants with the award donor. Information on academic progress and final results of scholars may be shared with the award donor
- N.B.** It cannot be guaranteed that applicants or scholars data will be as protected as it

would be within the European Economic Area if the trustees of the donor are based outside of the European Economic Area.

- Applicants may withdraw consent to share information with UAL and external partnership sponsors at any time by emailing funding@arts.ac.uk. This may result in the application and/or award being withdrawn if UAL is longer able to determine eligibility for support.
- Award recipients cannot be in receipt of more than one UAL affiliated or administered award. Applicants can apply for more than one award, but if offered more than one UAL affiliated or administered award, the recipient will need to choose which to receive. However, in exceptional circumstances, on a case by case basis, we may consider two awards if the combined awards are less than £5000 in total.
- Applicants can be in receipt of a UAL award and a non-UAL award (subject to the terms and conditions of the non-UAL award).
- Award recipients are expected to attend all timetabled classes and tutorials. The only exception to this is periods of absence due to illness and extenuating circumstances. Attendance will be monitored and any student with a poor attendance record may risk their award being terminated.
- Award recipients are expected to attend a small number of College and University events to promote scholarship support to potential donors and to meet with scholarship supporters at these events (both during and after completing their course).
- The award will be terminated if registration/enrolment lapses on any grounds other than a temporary suspension of study due to extenuating circumstances
N.B. Any absence due to extenuating circumstances must follow university [procedures](#)
- No applicant for the award should make any decisions regarding their enrolment, financial arrangements, accommodation or other matters that rely on the outcome of their application being successful.
- All applicants will be informed of the final decision via email.
