RE: New UAL Awarding Body qualifications in music

Dear Ross,

I am writing to confirm that Amersham and Wycombe College recognizes and values the following new UAL Awarding Body qualifications:

- Level 1 Award and Diploma in Music, Performing & Production Arts
- Level 2 Award and Diploma in Music Performance & Production
- Level 3 Award and Diploma in Music Performance & Production.

We were pleased to be involved in the development of these qualifications and believe that they each provide students with opportunities to develop the skills, knowledge and understanding they need to progress successfully to the next level of learning.

The qualification supports students to develop technical and specialist skills relevant to music performance and production, and performing and production arts at Level 1, and their related disciplines, together with broad soft skills such as communication, team-working, reflective practice and independent learning.

We look forward to delivering or recruiting from these qualifications in the near future.

Please don’t hesitate to contact me if you require any further information.

Yours sincerely,

Julian Groves
Deputy Principal, Amersham and Wycombe College
