

Create a Moodle Profile

Create a profile on Moodle to introduce yourself to your tutors and other students.

- 1 Sign into Moodle, select the **User menu** next to your name and click **Profile**.

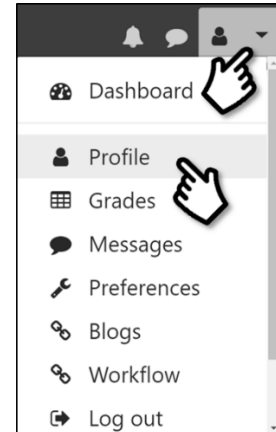

Figure 1 Select Profile from the user menu

- 2 Under user details select **Edit profile**

Figure 2 Select edit profile

- 3 Scroll to **description** where you can add a short bio of yourself as well as any links to your social media.

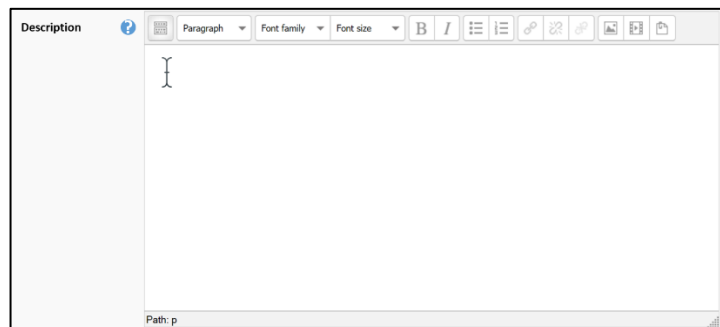

Figure 3 Add a short description of yourself, your course, or your interests

- 4 Add a picture to your Moodle profile

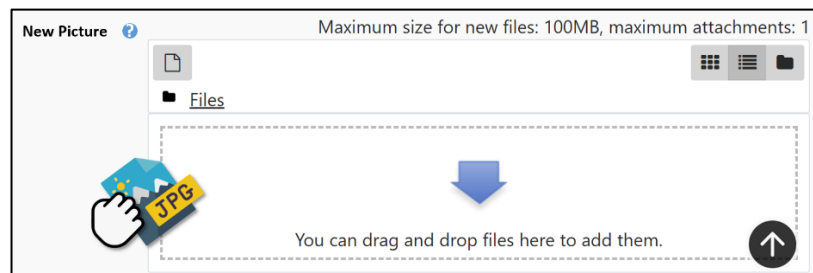

Figure 4 Drag and Drop a profile image
