The studios have a work space of approximately 41m², private bathroom and a separate 10m² mezzanine bedroom. There is a shared kitchen available for use.

1. Arrivals are after 14.00 on the first day of the rental period. Rooms should be vacated by 10.00 on the morning of the last day. The arrival and departure dates are:

   1—29 July 2019

   Unfortunately, it is not possible to accommodate requests for earlier arrival or later departure dates.

2. Along with your residency you will have a BSR membership which is valid through 31 March 2020.

3. You are welcome to come for breakfast when it is available and partake in what is offered. Unfortunately, the BSR is not able to accommodate dietary requirements (except gluten-free which is available with prior notice) at breakfast and there is no reimbursement if breakfast is not taken.
4. The Library will be open, though there may be some restrictions during inventory at the end of July. Please speak to the librarians prior to your arrival.

5. You should arrange your own travel, theft and health insurance for the duration of the visit. A European Health Insurance Card (obtainable online at dh.gov.uk/travellers) must be obtained before departure, to ensure entitlement to treatment under the Italian State Medical Scheme.

You may find additional information regarding the BSR and its facilities by visiting our website www.bsr.ac.uk
