Dear Anthea,

Letter of support for the UAL Foundation Diplomas in Art and Design

I am writing to confirm that Ravensbourne recognises and values the following UAL Awarding Body qualifications as fulfilling entry requirements to a range of higher education courses, either in its own right or alongside other qualifications:

- UAL Level 3 Foundation Diploma in Art & Design (603/3138/0)
- UAL Level 4 Foundation Diploma in Art & Design (603/3139/2)

We were pleased to be involved in the development of these qualifications and believe that they provide students with opportunities to develop the skills, knowledge and understanding they need to progress successfully into higher education. The specific undergraduate courses these qualifications will provide access to will depend on the student’s chosen specialism, but could support progression to any of our undergraduate courses. Full details of these can be found on our website: https://www.ravensbourne.ac.uk/

I can also confirm that Ravensbourne is happy for this statement of support to be made available on the UAL Awarding Body website, so that it can be viewed by employers, students, providers and universities.

We look forward to delivering or recruiting for this qualification in the near future.

Please do not hesitate to contact me if you require any further information.

Yours sincerely,

Dr Gary Pritchard
