In England, The Education and Skills Funding Agency (ESFA) is accountable for funding education and training for children, young people and adults. All funding information can be found on:

- The Learning Aims Reference Service: <https://hub.fasst.org.uk/Pages/default.aspx>
- ESFA List of Qualifications approved for Funding: <https://section96.education.gov.uk/>

You should always check the websites above for the most up-to-date funding information.

The age of the learner on 31 August in the funding year determines whether the student is funded through the ESFA's AEB funding methodology (for individuals aged 19 and over), or the 16 to 19 year olds funding methodology (for individuals aged 16 to 19 and those aged 19 to 24 with an education health and care plan).

If a centre would like to deliver one of our UAL qualifications in England, Wales, Northern Ireland or Scotland, please contact our approvals team at approvals.awarding@arts.ac.uk.

Note on Level 3 Diplomas and Extended Diplomas:

1. Students who are 18 years old on the 31st August and have not already achieved a full Level 3 or above, are eligible to be fully funded by the ESFA for the UAL Level 3 Diploma (year 1) and Extended Diploma (year 2), as long as they have been registered on the full Extended Diploma before their 19th birthday.
2. Students aged 19-23 years old, who have not already achieved a full Level 3 or above, are eligible to be fully funded by the government (via legal entitlement) for the UAL Level 3 Diploma and Extended Diploma as long as they are registered before the 31st August.
3. By successfully achieving a UAL Diploma, students will have gained their full Level 3 qualification; therefore any fee remission will not apply for the Extended Diploma. Students can pay for their tuition fees (year 2) via an Advanced Learner Loan.
