# Optional Modules

## 2018/19

**Students enrolled on integrated Study Abroad programmes can take 1 optional module at the start of the autumn term or at the end of the spring term. Each module runs for 3 weeks and is worth roughly 3 US credits.\***

### European Art History: London and Berlin

This module offers you the opportunity to learn about the art, histories, environments and cultures of London and Berlin.

Programme Features:

- 4-day study trip to Berlin
- Site visits around London and Berlin
- Taught at Chelsea College of the Arts

### Creative Industries London

Designed around UAL's expertise in the areas of disruptive design, media and screen practices, students will visit creative hubs around the city and examine the relationship between culture and commerce and how the creative industries have shaped the physical and social structure of London.

Programme Features:

- Site visits around London
- Creative and Media Industry Professional Insight
- Taught at London College of Communication
