Part A – Student Details

1 Contact Details

Please complete your contact details in full. All correspondence relating to this complaint will be sent to your registered University email address, so you should make sure that you check it regularly. If your contact details change, you must inform the University Complaints Unit immediately.

2 Group Complaints

If you submit a complaint as a group, all members of the group must sign the complaint form. The group must elect representatives (maximum 2) to speak and meet on behalf of the group.

3 Students with Disabilities

The University works hard to anticipate and meet disabled students' needs. Section 3 asks you to inform us if you have a disability and whether you need any support or adjustments. This helps us ensure that you can access the complaints process. By 'disability' we mean: sensory or physical difficulties, long-term health conditions, mental health difficulties, autistic spectrum disorders (including asperger syndrome) or specific learning difficulties (e.g. dyslexia, dyspraxia, ADHD).

You do not need to disclose the nature of your disability, but it will help us to make adjustments to the complaints process if you tell us about the type of support you usually need. Some examples might be that you need help completing forms or information in alternative formats, or that you have access requirements which will need to be taken into account. If you do complete this section of the form the University Complaints Unit will contact you to discuss your requirements. Any information you provide will be handled sensitively. If you have any concerns about disclosing disability information on the form, please contact the University Disability Service for advice on 020 7514 6156.

4 Who have you spoken to about your complaint?

Please indicate whether you have already spoken to your tutor, course director, the Students' Union or Student Services. This helps us to liaise with the right people to follow up your complaint.

Confidentiality

Any information you provide on this form will be handled sensitively and will only be made available to staff directly involved in finding an appropriate resolution. If you have any concerns about disclosing information on the form, please contact the Students' Union for advice on 020 7514 6270.

Have you attempted to resolve your concern informally?

The University has an Informal Complaint process which allows students to raise concerns with a member of staff and seek a resolution without the requirement for submission of a formal complaint. This process is optional but available to all students. If you have attempted to address your concern informally please give details here. If you have not and you would like to do so please contact your College Student Complaints Officer.

Part B – Supporting Statement
