Your Journey: Interior Design

Modular and Progression Courses:

Bite Sized - Interior Design
An optional starting point for those unsure of which route to take - Join us for 2 hours and learn about Interior design, our courses and the study options that suit you best.

Special Offer: Book another Interior Design Short Course within 3 months and we'll deduct the Bite Sized fee.

Beginner

Introduction to Interior Design & Introduction to Interior Design Plus
'Introduction to Interior Design' will guide you through the principal skills as practised by professional interior designers. You may choose to progress to 'Introduction to Interior Design Plus' to fast track into 'Interior Design Module Two'

OR

Interior Design - Module One
A comprehensive 12 day course focused on a residential brief, teaching drawing, and presentation skills from scratch.

Intermediate

Interior Design - Module Two
A comprehensive 12 day course focused on a commercial brief, for example a bar or restaurant building on skills taught during 'Interior Design - Module One'.

Advanced

Interior Design - Module Three
An advanced 12 day course allowing experienced students to bring a real or imagined project to the class to work on with the guidance of the tutor.
