

Connect to Eduroam

Eduroam gives you WiFi internet access at any Eduroam-enabled site using your UAL log-in details:

01. Select **eduroam** from WiFi networks.
02. You'll be asked for your college username or identity
03. Enter your **UAL email address**.
04. Enter your **UAL password**.
05. Your device might ask for an Anonymous Identity. **Leave this blank**.
06. Click **Accept** if a security certificate pops up.

If you're on a UAL campus please use UAL-WiFi.

All users of the Eduroam service are required to adhere to Eduroam's policy. [Read the Eduroam policy](#) or [find out more about Eduroam](#).
