Letter of support for Level 4 Professional Diploma in Performance (603/3034/X)

Dear Anthea,

I am writing to confirm that The Bedford College Group recognises and values the following UAL Awarding Body qualification:

- Level 4 Professional Diploma in Performance

We were pleased to be involved in the development of this qualification and believe that it provides students with opportunities to develop the skills, knowledge and understanding they need to progress successfully into higher education or conservatoire training, or employment or self-employment in the Performing Arts sector.

The qualification has been designed to provide students with an opportunity to stretch and refine their practical skills levels whilst maintaining their own personal interests and expertise.

I can also confirm that The Bedford College Group is happy for this statement of support to be made available on the UAL Awarding Body website, so that it can be viewed by employers, students, providers and universities.

We look forward to delivering this qualification.

Please do not hesitate to contact me if you require any further information.

Yours sincerely,

Toby Clark

Director of the Arts

The Bedford College Group
