RE: Letter of support for the UAL Level 3 Applied General Diploma (603/1457/6) and Extended Diploma in Art & Design (603/1459/X)

Dear Anthea,

I am writing to confirm that Leeds College of Art recognises and values the following qualifications as contributing to the entry requirements of a range of higher education courses in related subject areas:

- UAL Level 3 Applied General Diploma in Art & Design (603/1457/6)
- UAL Level 3 Applied General Extended Diploma in Art & Design (603/1459/X)

The qualifications above, offer both a diagnostic and specialist experience in art and design, which allow students to progress to broad art and design degrees such as, BA (Hons) in Fine Art or Visual Communication, or more specialist degrees such as BA (Hons) in Fashion, Photography, Graphic Design or Illustration.

I can also confirm that Leeds College of Art is happy for this statement of support to be made available on the UAL Awarding Body website, so that it can be viewed by employers, students and providers.

Please do not hesitate to contact me if you require any further information.

Yours sincerely,
