**Letter of support for Level 4 Professional Diploma in Performance (603/3034/X)**

Dear Anthea,

I am writing to confirm that New College Stamford recognises and values the following UAL Awarding Body qualification as fulfilling entry requirements to a range of higher education courses or conservatoire training, either in its own right or alongside other qualifications:

- Level 4 Professional Diploma in Performance

We were pleased to be involved in the development of this qualification and believe that it provides students with opportunities to develop the skills, knowledge and understanding they need to progress successfully into higher education or conservatoire training, or employment or self-employment in the Performing Arts sector.

This qualification has been designed to provide students with an opportunity to stretch and refine their practical skills levels whilst maintaining their own personal interests and expertise.

I can also confirm that New College Stamford is happy for this statement of support to be made available on the UAL Awarding Body website, so that it can be viewed by employers, students, providers and universities. We also look forward to delivering or recruiting students from this qualification.

Please do not hesitate to contact me if you require any further information.

Yours sincerely,

Adam Fox  
Lecturer of Performing Arts
