26. Travelling to and from your accommodation

26.1 Unless transport from airports, seaports or railway stations to halls is explicitly offered as part of your Course, you and your Parent must make sure that you are sufficiently independent and capable of travelling to UAL alone, or your Parents must arrange an escort for you.

26.2 Travel information from London airports, seaports serving London, and the main London railway stations is available on our website.

26.3 For further help with making travel plans please refer to www.visitlondon.com

26.4 In case travel arrangements go badly wrong, Parents should make sure that their child has enough money (GB pounds sterling) to be able to take a taxi to their accommodation direct from the child's point of entry into the UK or other location within the UK. Students will be able to check in to their accommodation later than their planned arrival time.

26.5 You need to speak enough English to be able to ask for and understand directions, use public transport and buy any refreshments you need on the way to your accommodation.

26.6 We encourage students to contact Parents to confirm safe arrival, but we do not routinely confirm safe arrivals. If a Parent does not know whether you have arrived safely, the Parent should contact you in the first instance. If the Parent is not able to contact you, the Parent should contact the Central Saint Martins Short Course representative (named in your joining instructions).

26.7 You and your Parents are also responsible for arranging your return journey. We do not routinely arrange transfers to airports, seaports or stations. Unless transport from halls to airports, seaports or railway stations is explicitly offered as part of your Course, you and your Parent must make sure that you are sufficiently independent and capable of travelling back to your home on your own, or your Parents must arrange an escort for you.

- 27.4 During the summer vacation, UAL provides accommodation onto students of all ages, tourists and people attending conferences.
- If there is a problem with your room, you should, in the first instance, contact the on site representative at Sketch House. If we feel that a change of room would help you, we will use reasonable efforts to move you. This is subject to the availability of alternative rooms.
- 27.5 Accommodation in a student residence may not be as quiet as a bedroom in a student's own home. Students must not create a noise disturbance for others. If you experience noise nuisance, you should contact the reception staff.

28. People staying in our accommodation

- 28.1 Neither UAL Short Courses Ltd or UAL accepts unaccompanied students who are under the age of 16 at the start of their stay.
- 28.2 UAL is mostly an adult education environment, and there will be students who are over 18, and other adults, in accommodation managed by UAL. Unlike staff, these visitors are not vetted. UAL Short Courses Ltd and UAL accommodate groups of students aged 18 and younger separately from others. Where this is not possible, we will try to ensure that the students are at least in the same school year. Students on the Central Saint Martins Residential Summer School for 16 to 18 year old programme share kitchen facilities with other students, who may be of the opposite sex or from different cultures.
- 28.3 We welcome students from all backgrounds and of all beliefs. We do not provide special services or facilities to enable you to follow religious or cultural practices, but it will not unreasonably prevent you from following your preferences. When staying with us, you must respect the rights of others not to share your beliefs or customs.

28.4 If you will be staying in Sketch House, where breakfast is provided, you should state any special dietary requirements on your course form. Students must arrange all their own mid- day meal and all evening meals throughout the course. A wide range of food (e.g. vegetarian, halal, kosher) is available in local shops.

29. Staff

29.1 UAL's policy on safeguarding students is incorporated in these terms and conditions and forms part of the contract between us and students and Parents. The current version can be downloaded from: <http://www.arts.ac.uk/study-at-ual/student-services/>

29.2 Recruitment checks are carried out on staff who have unsupervised contact with students under the age of 18 as part of their day-to-day duties. Recruitment checks are carried out on all staff living in student accommodation blocks. UAL also gives its staff basic training on child protection and welfare. Visitors, such as delivery and maintenance personnel, are not given unsupervised access to under 18s and are not vetted.

29.3 The main role of UAL accommodation staff is to provide a building which is clean and safe for students to live in while they are studying with us. UAL Short Courses Ltd and UAL staff are not substitutes for Parents. We will give each student aged 18 or under a name and contact number for a member of staff, in case of serious difficulty or personal problems. That staff member may refer you to UAL's student support services, or to external agencies who are likely to be able to help. You are expected to look after your own personal hygiene, laundry, medication (if applicable), finances, and to be able to cook and feed yourself. Parents are encouraged to monitor and supervise their children in these aspects of their lives.

29.4 You should contact your hall or site manager or reception if you have a problem relating to the building or its facilities. You or your Parents should contact the Central Saint Martins Short Course representative (named in your joining instructions) if there is a problem relating to your welfare.

29.5 Outside lessons and supervised activities, there will be UAL Social Reps living on site. We try to ensure that young students have access to a choice of male or female wardens if they need help.

29.6 Personal relationships between staff and students are not permitted. A member of staff must not give their personal contact details to students. Staff must not socialise with students except as part of their duties or as part of an activity organised by us. Parents and students must notify us if they become aware that any member of staff is not complying with these rules.

30. Supervision of students in accommodation

30.1 The UAL Social Reps accompany students when travelling between their accommodation and their classes or supervised activities.

- 30.2 During programmed learning hours, students are supervised by tutors. We will keep a record of student attendance at lessons and refer to the Parent if tutors have any concerns about lateness or absences.
- 30.3 Course information will provide indicative programmed learning hours you will have on your Course.
- 30.4 Outside classes, you are free to spend your time as you wish. You will benefit most from your time with us if you use some of this time for further study and join in our social programme. London is a major capital city with all kinds of attractions on offer. Parents should be satisfied that their children will have the maturity to choose leisure activities that are appropriate to their age, ability and experience.
- 30.5 Students come to us from many different backgrounds and are expected to respect cultural and religious differences. We will report students who bully or harass others to their Parents, and we may take such action as is reasonable to respond to and prevent this kind of behaviour. If you experience bullying or harassment whilst in your accommodation, you should report it as soon as possible to the hall manager or the Central Saint Martins Short Course representative.
- 30.6 Students are not required to sign in and out of their accommodation. Entry to our accommodation is by key-card. We can monitor when you enter your accommodation. Central Saint Martins Residential Summer school for 16 to 18 year old programme Students are expected to return to their accommodation before 11.00 pm from Monday to Friday and before 11.00 pm on Saturdays and Sundays. We do not check that each individual student has returned to their accommodation by midnight each night, but will carry out spot checks on key-card use and notify the Parent if their child is noticed to be returning to accommodation at unsuitably late hours.
- 30.7 You are requested to notify the Central Saint Martins Short Course representative or UAL Social Rep if you intend to be away from your accommodation overnight. This is for health and safety reasons so that all people can be accounted for in the event of a fire or other emergency. All Central Saint Martins Residential summer school for 16 to 18 year old students intending to be away from their accommodation overnight must complete a 'Leave Permission Form' obtainable from the Central Saint Martins Short Course representative and have it authorised by a member the Central Saint Martins Customer service team or coordination teams.
- 30.8 In England, it is a criminal offence to sell alcohol to a person under the age of 18, and in many cases it is also an offence to buy alcohol for someone who is under 18 years of age. It is a criminal offence for a person under 18 to buy alcohol, or to drink alcohol in many circumstances. We do not make routine checks for alcohol in students' rooms. If we become aware that you are under the influence of alcohol or unlawful drugs, we will report that to the Parent. We may confiscate and dispose of alcohol or non-medicinal drugs without liability to you or your Parent. Bars and shops owned or managed by UAL always ask for proof of age before selling alcohol.

30.9 Internet provision is available. We do not put parental controls on its internet facilities or monitor what students are viewing. We may confiscate obscene material in a student's possession, without liability.

30.10 Student wardens are on duty in the accommodation overnight.

30.11 We follow UAL's policy on protection of students from abuse:

<http://www.arts.ac.uk/study-at-ual/student-services/>

Under UAL's Safeguarding of Children Policy all staff who suspect, or receive allegations of abuse, must consider what steps are necessary to protect the student, keep written records, and refer the matter as soon as possible to the Dean of Students Mark Crawley (m.crawley@arts.ac.uk / 020 7514 8852/8853) for attention. Allegations or suspicions of abuse will normally be referred to the local social services department for investigation, rather than be investigated internally by us.

30.12 If we identify a serious welfare concern or a risk of serious harm to a student, we will advise the student on more appropriate behaviour and how to avoid the identified risk. We will normally inform the Parents, unless it is obvious that the Parents' involvement would not be in the student's best interests. We may introduce a programme of monitoring and increased supervision of the student where this is necessary to safeguard and promote the student's welfare.

30.13 In our accommodation, supervision is limited to patrolling the shared areas of buildings and grounds. Room checks are only carried out if (a) you agree or (b) we have serious concerns for welfare or compliance with these Terms. For example, we may enter a student's room where a student has failed to attend classes, or is suspected of taking drugs. Where practicable, any room search will take place in your presence.

31. Discipline

31.1 Students in our accommodation must comply with these Terms. We may impose fair and appropriate sanctions for breaches of these Terms. If a student's behaviour places the welfare of others at significant risk, we may suspend or expel a student. We will not normally suspend or expel a student aged under 18 until arrangements have been made to return the student to the care of a Parent or other responsible agency.

31.2 Physical punishment is not used. If physical intervention is necessary, it will be the minimum necessary to prevent serious injury or damage.

31.3 We will report serious disciplinary matters to Parents if their children are involved.

31.4 Disciplinary action is recorded in writing and records may be kept for up to 7 years.

32. Food

- 32.1 If you are under 18, your Parents must be satisfied that you are able to shop for your own food, prepare it, and eat a well-balanced and nutritious diet. Kitchens are fully equipped with appliances (kettle, toaster, microwave, and oven), crockery and general cooking utensils are provided.
- 32.2 For students staying at Sketch House, we provide breakfast. You will be responsible for buying and preparing all your other meals.
- 32.3 Staff working in food preparation are all appropriately trained in food-handling and hygiene. Special dietary requirements should be stated on your Booking form.
- 32.4 Students have access to facilities where they can store food and prepare their own hot and cold drinks and snacks. Students are not allowed to have fridges, kettles, toasters or cooking appliances in their rooms, on the grounds of health and safety.
- 32.5 We provide kitchens with basic appliances (ovens, refrigeration, kettles). Kitchen and dining facilities are not segregated and may be shared by people of different ages, genders and faiths.
- 32.6 Drinking water is available in our accommodation and there will be opportunities to buy drinks when away from UAL premises.

33. Health

- 33.1 If you need regular medication, or medical appliances, you are advised to bring enough with you for the duration of your stay. We do not provide any nursing or caring facilities or supervise the taking of medicine or use of medical appliances. You will be responsible for storing your own medicine and should contact the accommodation hall or site manager in advance if you need any special facilities for this. We do not guarantee to be able to provide those facilities, but it will do what it reasonably can. Parents should be satisfied that their child is capable of managing their own health.
- 33.2 Students will not normally need to register with a doctor in London unless they need close medical supervision.
- 33.3 Health insurance is advisable and Parents should make sure that their child understands the basics of their insurance cover.
- 33.4 In the case of serious illness, accident or other emergency, where you are admitted to hospital, we will contact your Parent. If you are not admitted to hospital, we will encourage you to contact your Parent. We are not able to provide after-care once a student has been discharged from hospital. We are not able to provide nursing care if a student is ill but has not been admitted to hospital.

- 33.5 If a student has a minor illness and is not fit to attend classes, they should inform the Central Saint Martins Short Courses representative (named in your joining instructions) or the programmes tutor. The Central Saint Martins Short Courses representative will decide whether to involve Parents or medical professionals and arrange regular checks on the student. The Central Saint Martins customer service representative will make sure the student is able to call easily and quickly for help if it is needed.
- 33.6 If you have a disability we must do what is reasonable to make sure you are not at a substantial disadvantage. It will help us to make reasonable adjustments if we know about a disability well in advance of your arrival.
- 33.7 If a student has special medical needs (for example, known drug reactions) the Parent should notify us in writing in advance of your stay. We will keep any health records with appropriate confidentiality.
- 33.8 You must provide details of a person, preferably a Parent, who can be contacted in case of emergency. You must notify us immediately if any of their details change.
- 33.9 If a student needs help in arranging medical, dental or sexual health support whilst they are on a Course, they should ask the Central Saint Martin Short Course Representative. The Central Saint Martins Short Course Representative will respect your privacy and will not ask you to give them details of why you need support. If parental permission for treatment is required, the student will normally be responsible for arranging that. If a student is too ill to arrange parental permission, we will normally suggest liaison between the medical professionals and the Parent and will not intervene unless absolutely necessary.
- 33.10 A member of staff holding a first-aid qualification will be available whilst you are at our teaching facilities. First aid treatment may be given by any suitably competent person. Written records will be made of any such treatment, and may be kept for up to 7 years. We do not guarantee to provide a first-aider in the accommodation, but we will help you call for medical assistance if needed.
- 33.11 If there is a serious outbreak of infectious disease in our accommodation we will follow UAL's infectious diseases policy which is updated in accordance with national best practice.

34. Hygiene

- 34.1 You will be able to have a bath or shower privately in a separate room or cubicle with a lock on the door, as all our rooms for students have en-suite private bathroom. (All rooms and bathrooms can be opened in an emergency by those staff who have a master key.)

We do not supervise young students' daily hygiene, and they must be capable of looking after themselves in this respect. However, if a student shows obvious signs of self-neglect, we will normally give them guidance and/or contact the Parent.

35. Laundry and cleaning

- 35.1 We will clean student's bedrooms and shared areas and change the linen and towels on a weekly basis. We will check rooms prior to arrival and after departure to ensure that our rooms, fixtures or fittings have not been misused, removed or damaged.
- 35.2 We provide a self-operated laundry for students to use. Additional charges may apply for using the laundry. Use of the laundry is at your own risk – we do not accept liability for lost or damaged articles.

36. Money and personal possessions

- 36.1 We are not liable for any loss or damage to personal possessions unless we agreed separately in writing to look after them.
- 36.2 Each student's bedroom is lockable. Access to rooms is by programmed key card and we can therefore restrict and monitor staff access to students' rooms.
- 36.3 Rooms are not fitted with safes or lockable drawers or cupboards. We do not accept valuables or documents for safekeeping. Students are recommended to take out personal possessions insurance for the period of their stay.
- 36.4 We give guidance on how much you are likely to need in spending money during your stay – please see the Central Saint Martins Residential Summer School for 16 to 18 year olds handbook.

37. Safety and security

- 37.1 We will inform you of the emergency evacuation procedures shortly after you arrive. Information is displayed around our buildings.
- 37.2 Fire practice may take place during your stay, and you must take part in any such practice. Parents are requested to stress to young students the importance of fire safety in halls of residence.
- 37.3 UAL tests emergency lighting, fire alarms and firefighting equipment in accordance with English law.
- 37.4 Our accommodation is not open to the general public. Security measures are in place to prevent unauthorised access.
- 37.5 CCTV is in use in our accommodation, but it should not intrude on your privacy.
- 37.6 You will be able to lock your own bedroom.

- 37.7 Windows at high level and street level are fitted with effective restrictors.
- 37.8 For fire safety reasons all visitors must be signed in and out in the visitors' log book which is located at the reception desk. If a visitor has not been signed in, that person has no right to be in the accommodation and our security or reception staff have the authority to ask that person to leave the premises.
- 37.9 We will supply hall-specific information before you arrive. This information includes important information on security and other regulations concerning your behaviour.

38. Welfare and personal problems

- 38.1 Your joining instructions will give you a name and contact number for your Central Saint Martins Short Course representative and UAL Social Representatives, in case of serious difficulty or personal problems. This person may refer you to your Parent, other designated members of staff, or outside agencies who are responsible for providing welfare guidance and support. (Non-personal problems regarding building maintenance should be reported to site staff or hall managers.)
- 38.2 The Central Saint Martins Short Course representative will not pro-actively monitor you unless there is serious cause for concern. However, they will respond if you ask for help.
- 38.3 You will be able to discuss your problems in private with the Central Saint Martins Short Course Representative and we will usually try to respect your wishes if you do not want the problem to be shared with your Parents. If we have serious concerns about you, we may insist on informing your Parents and/or local agencies.
- 38.4 UAL makes available telephone numbers of appropriate helplines outside UAL which students may contact for advice and support.
- 38.5 Most students will probably have their own telephones and other means of communicating with their families. We do not provide payphones for students' use. If a student tells us they have run out of money, we will contact the Parent to arrange for money to be sent to the student.

- 40.5 We may seek to recover any owed monies from the student before departure, but if we are unable to do so we will inform the Parent of the charges and send the Parent an invoice. The Parent agrees to pay any such invoice within 5 working days of its receipt.
- 40.6 The Parents acknowledges that UAL does not accept parental responsibility for the student.
