Looking for a specific room? Some of the classes on your timetable will have a specific room number. The first letter of the room number indicates which block the room is in, and the first number indicates which floor the room is on. For example, room E002 is located in block E, floor 0. You can see the blocks and floors on this map.

E002

block floor room

Locations marked in bold are shared spaces available for all students.
